The Legend

of the Redskins

1929

Published by the Senior Class

of

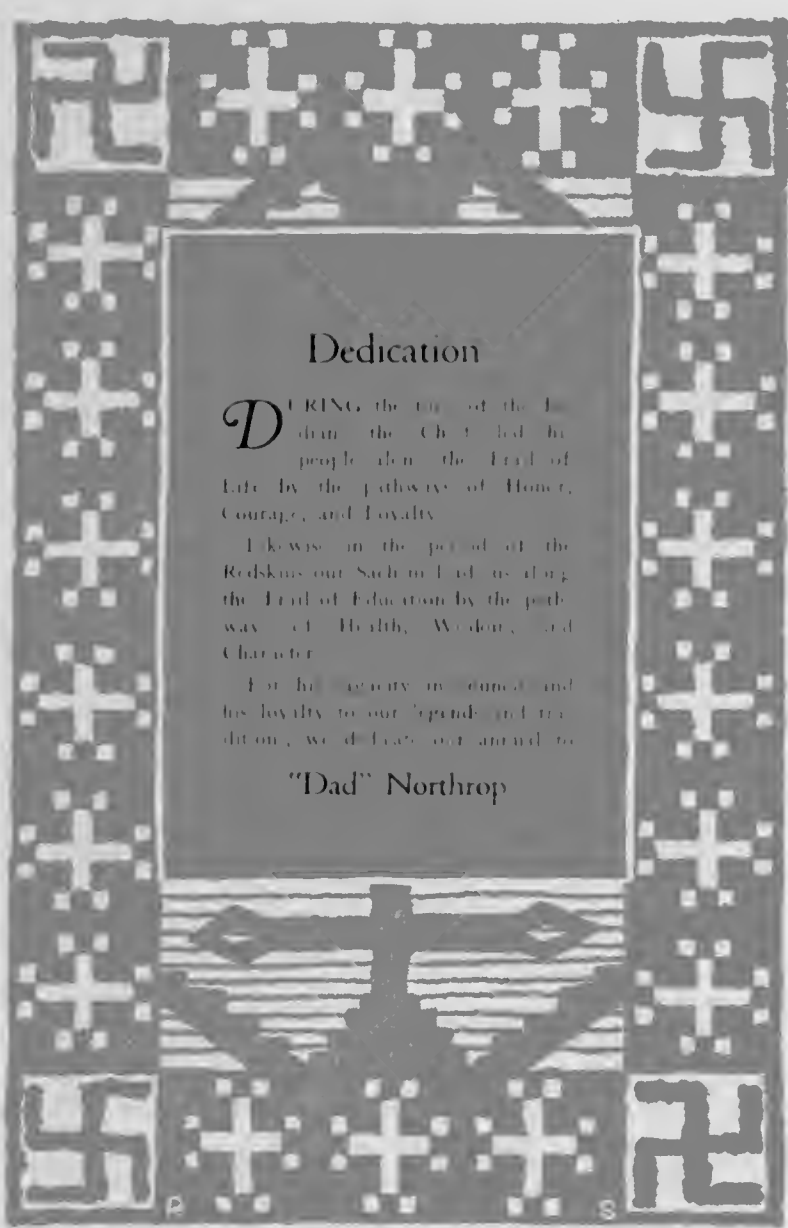

North Side High School

Fort Wayne, Indiana

Foreword

*A*S EACH YEAR advances, the Redskins pass along the trail leaving behind many memories. Just as the legends and traditions of the true Indians have been handed down for countless ages, so we pass along our traditions in *The Legend of the Redskin* in order that the primitive history of the tribe may not be lost to those who cherish it; we inscribe this book

Dedication

DURING the life of the Indian the Chief led his people down the Trail of Life by the pathways of Honor, Courage, and Loyalty.

Likewise in the period of the Redskins our Sachem led us along the Trail of Education by the pathway of Health, Wisdom, and Character.

For his activity in, toward, and his loyalty to our legends and traditions, we dedicate our award to

THE LEGEND

Milton H. Northrop
Principal

THE duties of a principal are such that require consummate executive ability and a practical acquaintance with human nature. His is the task of shaping and directing the courses of a thousand lives. It is necessary, therefore, for him to be in close human touch with all students. We are very fortunate in having as our principal Mr. Milton H. Northrop, for in him are exemplified that relationship and that executive ability.

Page 9

North Side High School

IN respect to the arrangement of the building North Side High School is unique. From the hub of the auditorium five wings extend like the spokes of a wheel forming a semi-circle. The building is well-suited to its setting. The long, low roof-lines of the wings harmonize with the sweeping curve of the river in the foreground; and the tiled roof of the auditorium blends with the arch of the bridge, as may be seen in the above pictures. The architecture of the wings is very plain, but agreeable in very simplicity. The wide expanse of windows is broken by columns of the Tuscan Order.

Home of *the Redskins*

But it is in the entrance that the beauty of our school is most apparent. Afar off, framed in verdant foliage the gleaming shafts catch one's eye. The chaste columns and shadowed recesses are suggestive of quiet study. The entrance is distinctly Ionic architecture, which is characterized by the graceful shafts, the capital with its scrolls, the plain, unornamented frieze, and the cornice decorated with a row of dentils or narrows blocks. All of these lend the dignity that is so evident.

A brief description containing a few pertinent facts about the most important and outstanding features of the building

First Row—Ivy, Hewitt, Mertes, Northrop, Reynard, Suter, Suter, Risk, Dickinson, Sinks.

will enable one to more fully realize the fact that North Side is one of the best and most up-to-date institutions of secondary education in the state of Indiana.

THE LEGEND

Above—Main entrance with the Principal's and the Dean's offices to the left and right. In the background, the information desk. Below, Miss Glenn Smith, school secretary.

The modern tendency in high school education is to provide for intensive athletic training for all students. Those in North Side have excellent opportunities to secure this. There is a gymnasium devoted entirely to girls' sports. It occupies the first and second floors of an entire wing and is equipped with shower and locker rooms. Here the girls are trained in many forms of athletics, especially basketball, volleyball,

Page 13

1929

THE LEGEND

and tennis. The boys' gym is much larger because it is used not only for class work but also for basketball games and tournaments. The seating capacity is approximately 4,000. This makes the gym the largest in the city. Indeed, because of its three shower and locker rooms, its capacity, and the fact that there are no posts to obstruct the view, our gym has been recognized as one of the best, if not the best, high school

Gladys C. Arnold

gyms in the state. During the past year it was in constant use by North Side, Central, and professional teams. A year ago the sectional and regional tournaments were held here.

A school without an auditorium would be like a house without a living-room. It is here that the student body gathers as a large family, for dramatic presentations,

public speaking contests, and addresses from the principal or prominent people on various subjects and problems of high school students. The whole student body can at present be easily seated on the main floor. However, at the present rate of growth, it won't be many semesters before the spacious balcony will be used. It is

hoped that next year motion pictures may be added as a new feature.

The swimming pool has been the scene of much activity. It is regulation size, twenty by sixty feet, and contains a balcony of 300 seats for spectators.

In addition, each teacher has his own classroom which is connected to the main office by telephone. The school is equipped with three laboratories, a large library,

and a session room capable of seating 360 students.

The Redskins may well be proud of their *wigwam*, for it ranks among the best.

The staff and faculty includes: Milton H. Northrop, Principal; Florence D. Reynard, Girls' Adviser; Glenn E. Smith, Clerk; Julia F. Alexander, Hilda C. Auman, Gertrude Beierlein, Martha Beierlein, Mark W. Bills, Rollo P. Chambers,

THE LEGEND

Class of 1928

THE loyal Redskins of '28 bade farewell to the portals of North Side June 5. Their graduation marked not only the close of a successful four years' course, but also of a most successful first year for their Alma Mater. Baccalaureate services were held the Sunday preceding the commencement exercises at the Trinity English Lutheran church. The Rev. Paul Krauss delivered the inspiring address. At the commencement exercises on Tuesday the address was given by Jensen of Butler University. At this time the sixty-four members of the first graduating class took upon themselves the title—Alumni of the North Side High School.

Although this class was somewhat handicapped by being the first senior class, they did not let this daunt their spirit. They set up traditions that each succeeding Senior class of North Side will do well to follow. They established and maintained a school and class spirit that was worthy of the leaders of the school. In scholastic, athletic and social activities they excelled. Clubs and athletics were organized and a weekly publication, *The Northerner*, started. In fact this class in every way proved itself an able and capable leader.

At an early date the class elected their officers: Melvin Koenig, president; Mary Erwin, vice-president; Frank Nicklas, secretary-treasurer, and a social council composed of Frances Cook and Margaret Smenner. Mr. Pennington and Miss Schwehn were chosen faculty advisors.

Many were the honors won by this class as a whole, and by individuals in the class.

The National Forensic League for debaters and public speakers received its charter last year. North Side has the distinction of being the first high school in Fort

THE LEGEND

First Row—Oral Delancy, Mary Erwin, Melvin Koenig, Frank Nicklas, Margaret Umbach.
Second Row—Edward Ford, Mary Steiner, Lorena Fann, Frances Cook, Robert Walsh.

Wayne to be given this charter. Those of the class of '28 who received the honor of being made members last year are: Durward Allen, John McMeen, and Robert Walsh.

All three of these students were active in public speaking, debating and dramatic activities. Durward Allen and John McMeen were members of the Senior play cast. Robert Walsh was our representative in the oratorical contest last year.

Margaret Umbach was named valedictorian, and Mary Steiner salutatorian. Both girls were honor students and prominent in all scholastic activities. Margaret was the winner of the English cup for receiving the highest grade in an English examination, and was co-editor of *The Northerner* the second semester. Mary received the second highest grade in the test and was copy editor of *The Northerner*.

The Optimist Creed scholarship was won by Margaret Smenner. Margaret was a member of the Senior Social Council, and was active in all class activities.

Oral DeLancey received the scholarship given by the Business and Professional Woman's Club.

Frank Nicklas was given the Kiwanis award.

This award is a distinct honor and is awarded on the basis of school citizenship. From a number of boys who have excelled in scholarship, character, and school spirit, the faculty selects the one who best typifies these qualities.

Lorena Fann won the district essay contest. She was editor-in-chief of *The Northerner* the first semester and treasurer of the Interschool Press Club the second semester.

In athletics the senior class was especially well represented. Arthur Penrod was

THE LEGEND

First Row—Ruth Beckman, Lucille Beber, Robert Brosius, Robert Beverforden, Imogene Brooks.

Second Row—Carl Buecker, Lois Evans, Donald Elder, Chris Eby, Lavern Fritz.

a member of the varsity football, track, basketball, and tennis teams. Another varsity basketball and football player was Melvin Koenig. Bob Beverforden played on the basketball and tennis teams. Robert Walsh was a member of the track and basketball teams. William Scheiman won his track sweater by taking first place in the 100-yard dash at the sectional track meet.

On March 28 and 29 the seniors presented their play, "Number Seventeen," under the direction of Miss Marjorie Suter. The production proved a big success, and North Side was certainly proud of her actors and actresses. Members of the cast were: Frances Cook, Lela Smith, Herburst Vigran, Durward Allen, John McMeen, Donald Elder, Lee Roy Blough, and Frank Nicklas. Although the class was handicapped by having to give it so early in the season, the play proved a success financially.

Seniors from Central and North Side held their annual frolic on Monday, June 4. The frolic was sponsored by the Parent-Teachers Association from both schools.

The last big Senior event was their commencement dance, which was held in the gymnasium, June 6. Jack Ferris' Southern Indiana orchestra played for the dancers. Though it was called the commencement dance, it was in reality the first dance to be given by the North Side Alumni. At this time we bade farewell to North Side's first graduating class, the class of 1928. Members of this class were:

Durward L. Allen, Lucile Dorothea Beber, Ruth Virginia Beckman, Evelyn Magdalene Beerman, Margaret Joan Berghoff, Robert J. Beverforden, Doris Blaising, Lee Roy Blough, Imogene Brooks, Robert H. Brosius, Carl H. Buecker.

Wealtha Louise Carrel, Frances Verna Cook, Helen Irene Davis, Oral

William T. Scheiman, William M. Schellenbach, Margaret A. Smenner, Lella C. Smith, Harry W. Snoke, Deloras Ilah Spahr, Mary Eva Steiner, Helen Louise Trempel, Margaret Elsie Umbach, Herbert Vigran.

William Harold Walker, Robert F. Walsh, Alice Lee Ward, Clyde G. Wilkinson, Jr., Helen Katherine Woodruff, Sadie May Woods, Glorvina L. Young.

A high school education is of little value unless it is applied to practical life. It is a preliminary preparation for further education or participation in some field of endeavor. One of the greatest problems of a high school student is that of selecting a future occupation. We may be sure that such an outstanding class as the class of 1928 is deriving the maximum of good from its training. Let us review the various ways in which some of the members of this illustrious class are planning for future life.

It is to be expected that many of every class will continue their education in advanced institutions of learning. It is so with this class. We find that among the students at Indiana University are Herbert Vigran and Robert Brosius. Herbert

THE LEGEND

First Row—Clyde Williams, Harry Snoke, Deloras Spahr, Herbert Vigran, William Schelianbach.

Second Row—Jeanette Pitts, Helen Woodruff, Lee Roy Blough, Helene Grummons, William Scheiman.

Vigran has already distinguished himself in dramatics at I. U. by taking a leading part in the Jordan River Revue. Robert Brosius, on the other hand, has devoted himself to the more serious task of learning to be a doctor.

At Purdue University is Theodore McNelley, who is studying civil engineering, and Frank Nicklas.

Those students who are in attendance at Michigan University are Melvin Koenig, president of this class, and Durward Allen, who not only excells in his class in the zoology department, but also in the swimming pool.

Robert Walsh has gone to the College of the City of Detroit, and Donald Elder to Wittenberg College.

But there are some who have decided to enter into practical employment at once. Margaret Umbach, Mary Steiner, and Lorena Fann work in the department of tests and measurements at North Side. George Patterson has entered the navy and is now stationed in Hawaii for further training after attending a preliminary air school at Chicago. Several of the alumni are taking apprentice courses at the General Electric factory. At least two, Alice Lee Ward and Helen Grummons, are attending the Nurses' Training School at Chicago. Margaret Smenner and Margaret Berghoff are working for the Lincoln National Life Insurance Company.

The Class of 1929

AS the closing days of the 1928-1929 school year draw near, the time is taking a group of students from North Side's halls who should live for some time in the treasures of her memory. The 1929 senior class is bidding its farewell to all old friends and fellow-students, and leaving with them many of its fondest recollections and reflections.

However, before saying this farewell, it would be an opportune time to make a small note of these recollections which have played such an important part in these people's lives, as well as giving a great many things of value to those with whom they came in contact.

In the fall of 1925, at the opening session of the year for Central High School, the school was again presented with the usual array of green freshmen. They were characteristic in their being noted as a particular crowd of these green recruits, but it was not long before they adapted themselves to the new environment. They soon became acquainted with each other sufficiently to make it become known throughout the school that one of the peppiest and best class of students had been brought in by that year's recruit enrollment.

They spent the months of their freshman year by gradually organizing themselves and making their debut in all the activities which the school offered to its students. Their activities led them to organize definitely into a more

compact body when they elected their officers at the opening of the sophomore year. These first officers to lead their class were Peter Certia as president, Philip Mann as vice-president, Harold Korn as secretary-treasurer, Carl Jacobs as president of the social council.

In 1927 the class was divided into two groups and half of the members were obliged to leave the familiar scenes at Central and develop a new loyalty to the beautiful new North Side High. The changes of scenery and location instilled in the class a sensitiveness and attitude of pioneers. Their being beginners filled them with a still greater spirit which soon marked them throughout all the schools with whom they held relations. At the beginning step of this new junior year, they chose Harold Korn president, Maxine Salzer vice-president, Carl Jacobs as secretary-treasurer, and Ralph Ehrman as president of the social council, to be their leaders for the period.

As the final year, the senior year, came, they had, by this time, stamped their accomplishments indelibly in the history of both the schools in which they had passed their high school career. The senior term did not prove an exception to the enthusiastic pace which they had set. Choosing Paul Somers, Norman Richards, Carl Jacobs, and Philip Bowen to take the four principal leaderships, they began a year of continual service and entertainment to their school.

Scholastic Honors

"GIVE honor where honor is due." That is a motto which North Side has strongly adhered to in dealing with those people who have distinguished themselves as leaders in their scholastic standing.

The valedictorian and salutatorian honors are to be considered as the pinnacles in measuring the degree of excellence which can be attained through honest effort and accomplishments of the students. These two recognitions were this year bestowed upon Philip Bowen and Elsie Wetzel, whose outstanding records made them justly eligible for the distinction.

The four-year honor roll this year was confined to Marcelene Beber, Florence DeSpain, Helen Markey, Donald Youse, Dorothy Meyer, and Carl Jacobs.

In addition to these leading places, North Side also gives the opportunity to certain students who have led their classes, to receive some return for this leadership. This is made

possible by the membership which our school holds in the organization of the National Honor Society. The membership of this first year's connection with the society was given to Philip Bowen, Elsie Wetzel, Vincent Snowberger, Marcelene Beber, Florence DeSpain, Paul Somers, Ralph Ehrman, Carl Jacobs, and Pearl Standley.

The final group of students whom it has been the school's choice to bestow some award upon, are those members of our athletic teams who have earned the distinction of receiving letters for their work in athletics and have also maintained an average of scholarship which is above that of the rest of the student body. The seniors who earned the eligibility of members in the National Athletic Honor Society are Robert Hines and Harold Hohman.

The National Forensic League found many of its members in the '29 class. Those members are Philip Bowen, Franklin Ivins, Carl Jacobs, Cereze Kelley, and Paul Somers.

Booster Club, 4; Polar-Y, 3; Glee Club, 2;
Math-Science, 3; decoration committee of
Junior Prom.

MARY MEYER
Girls' Glee Club; swimming.

STEVEN MARSHALL "Steve"
Varsity basketball and track (Central); var-
sity football and basketball (North Side).
Senior play. Winner of Paul C. Guild
Trophy, 1928.

CATHERINE MILLER "Kate"
Booster Club, 3, 4; Home Economics Club,
2; ticket sales committee; Junior social coun-
cil; Senior Vod-vil; volleyball; typing cer-
tificate and silver pin. Intended occupation,
secretary or nurse.

WANDA MILLER
Two typing certificates. Intended occu-
pation, stenographer. Avocation, reading.

VONCILE MOSLEY "Vonnie"
Typing certificate and bronze pin. Intended
occupation, dramatic teacher. Avocation,
reading and studying.

BEATRICE NEHER
Girl Reserves, service chairman; L. C. Smith
and Remington typing certificates. Intended
occupation, nurse. Now stenographer at pub-
lic library.

Miss Auman
Adviser

Class of 1930

THE peppy Junior class consists of about one hundred twenty-five students who can be depended upon to do things for North Side.

This year, the junior year, the class was organized with the following officers at the helm: President, Maurice Cook; vice-president, Jane Emrick; secretary-treasurer, Dorothy Helling; chairman social council, Ray Alter. Miss Auman and Mr. Dickinson were again selected as faculty sponsors.

Having established a reputation for putting on peppy functions, this class kept on with the good work by giving a Halloween dance in the cafeteria. Among grinning faces, goblins, cornstalks and shaded lights, a gay good time was had by many dancers. And this spring the class gave a prom that proved a gala affair indeed.

While social events of the class of '30 have proved interesting and distinctive, the members have done other things with no less zest and success. Some of its members have won honors and letters in athletics; of these Art King, Glenn Brendel, Bill Barley, Jack Deeley, and Joe Miskell are some of the most prominent. In naming the athletes, we must not forget the girls. Of the girl athletes Helen Ballou, Catherine Zwick, Dorothy Tonkel, Jane Korn, Jean Newman, and Bernice Reeves have received great awards.

Others have won the great honor of receiving the distinction of having their names appear on the honor roll. The more prominent of these are: Helen Ballou, Carl Doherty, Richard Hobson, Margaret Brudi, Dorothy Bowman, Robert Stockman, Charlotte Latker, Norma Kline, Maynard Shiffer, Alta McNelley, Mary Ben Dure, Dorothy McComb, Wilma Kimball, and Lewis Kenyon.

Recently the following members of the class were chosen members of the local branch of the National Honor Society for Secondary Schools: Robert Stockman, Margaret Brudi, Dorothy Bowman, Alta McNelley, Lewis Kenyon, and Richard Hobson.

Mr. Ivy
Adviser

Class of 1931

DURING its first two years the class of 1931 has had very efficient leaders. In the first and second year, the President of the class was Arthur Richard, a very enthusiastic brave of the tribe. The Vice-Presidents of the first and seconds years were Mary Jane Scott and Harold Novitsky, respectively, both prominent members of the class. Arthur Richard was also President of the Torch Club the first year and Harold Novitsky was vice-president. Harold was elected president with Robert Kaade as secretary for the second year. Monroe Brossius filled the latter position the first year.

In the first year of the journey, the tribe had two enthusiastic entertainments. The first one was a party which took place in February. Interesting games were played and the winners received prizes. The Frosh-Fun-aly, a dance, took place in May. The Rythm Kings Orchestra furnished the "peppy" dance hits. A Christmas dance and a dance in April comprised the entertainments for the second year. These were both great events, and a good time was had by all who attended.

The students who have won a place on the honor roll of the last semester should be mentioned here, because these have helped to strengthen the class. They are: Chester Briggs, Doris Buecker, Herman Ehrman, Bernadine Field, Anne Bell Hart, Thelma Johnson, Robert Kaade, Max Kessler, Dorothy McComb, Evelyn Morton, Gertrude Prange, Marjorie Schrock, Maynard Shiffer, Jennie Spice, Thelma Turner, Mary Ben Dure, Carl Doherty, and Evelyn Eisenhut. Let us hope that these and others may retain these records throughout their school life.

The girls have also maintained a club which has a membership of about thirty, but time and space will allow us to mention only the officers. Miss Hoffman, a prominent teacher, is the head of this organization. Bertha Bell Johnston filled the seat of the President, a Junior was Vice-President, and Vivian Shondell served as Secretary for the first year. The second year a Junior was President; Elizabeth Shookman, Vice-President; Harriett Tonkel, Secretary; and Ethel Lapp, Treasurer.

THE LEGEND

First Row—Robert Anderson, William Aiken, Alice Anstett, Margaret Abbott, Esther Allar, Dora Arduser, May Arnold.

Second Row—Rebadale Bannister, Mary BenDure, Noble Benner, Mary Elizabeth Bent, Irvin Blackburn, Mabel Blackburn, Marion Boyd.

Mrs. Clark
Adviser

Freshman Class

THE class of "32" has shown so much enthusiasm in organizing their ranks that they have started themselves on the way to success in later achievements in North Side.

They have shown good judgment in selecting their leaders, for excellent and capable officers and advisors were chosen to carry out programs which were sponsored by the freshman class. As their president, they chose Richard Korn; elected Maurice Champe vice-president, and Betty Rose secretary-treasurer. Mrs. Clark and Mr. Cleaver, both prominent and popular members of the faculty, were selected as class advisors, while on the social committee were placed Calvin Brown, who acted as chairman, John Schoedel, and Melba Hartman.

In February the class gave a Freshman party. All members were invited and permitted to bring a guest. Approximately a hundred attended and enjoyed a wonderful evening. The big social event of the year came in May. It was called the "Frisky Freshman Frolic"—a dance with peppy music furnished by the Gold and Black Collegians. Gorgeous decorations and lighting effects blended beautifully in adding color to the surroundings. The class also gave an assembly, in which Mr. Frederick Krull sang many of the lyrics of James Whitcomb Riley.

The freshmen were not found to be lacking in school spirit, as they showed the school that they had many promising athletes in their midst, by sending these sportsmen to compete in the different contests.

Taking everything into consideration, in view of the fact that they were late in organizing, they have raised a standard which the future classes of freshmen will use as a foundation and try to imitate, so that theirs will be as successful as the class of "32" has been.

THE LEGEND

First Row—Peggy Allard, Gordan Adams, Harold Agler, Gertrude Albertmeyer, Merritt Bachstein, Jennie Anglin, Margaret Anspach.

Second Row—Muriel Beecher, Eleanor Baldwin, Randolph Barnes, Eulalie Bolman, Jean Baxter, Vivian Becca, Robert Blosser.

First Row—Alter, Pritchard, Kaade, Wetzel, Bellinger, Zwick, Miesner, Hart, Champe, Hartman, Gard, Novitsky, Schrock.

Student Council

EARLY in December a Student Council got under way, and became one of the most active of all organizations. Many problems concerning situations in which the school is involved were discussed and acted upon. For the most part the Council's work consisted of promoting different school activities, establishing contact between the faculty and the student body, and other undertakings.

Questions of every nature were handled at meetings held during the school periods. The first problem dealt with leadership, which was stressed in a talk by Mr. Northrop. Mrs. Clark, at another meeting, spoke on responsibilities, misdemeanors, and community spirit. Other questions acted upon were those regarding traffic in the halls, tardiness, and school government.

The Student Council members consist of one representative from each home room, presidents from all organizations, class presidents, pub-

lisher of the *Northerner*, president of the band, editor of the *Legend*, and athletic representative. A Student Council constitution was drawn up and adopted. It is composed of nine articles, dealing with the purpose of the organization, purpose of the program, membership, election of members, officers and their duties, committees, meetings, term of office, and amendments.

Philip Bowen was elected president of the Council and has very successfully led the discussions. Joseph Miskell is vice-president, and Paul Somers, secretary-treasurer. Chairmen of the committees are as follows: Ways and means, Dorothy Meyer; civics, Milas Reiff; entertainment, Mildred Eilers; traffic, Ralph Ehrman; scholarship, Lyle Turner; and athletic, Robert McVey.

The only entertainment that the Student Council gave this year was in the form of a picnic, which was held late in May.

THE LEGEND

Back Row—(Seniors)—Snowberger, P. Bowen, C. Jacobs, Wetzel, DeSpain, Beber, Standley, Somers, Ehrman.

First Row—(Juniors)—Kenyon, Stockman, Bowman, McNelley, Brudi, Hobson.

National Honor Society

FIFTEEN North Side students were given the highest honor of the school, that of becoming a member of the National Honor Society for Secondary Schools, in order to recognize these upperclassmen who are in the upper third of their classes scholastically and who have done outstanding work in extra-curricular activities. Of these fifteen, nine were seniors and six were juniors. The basis for the society is character, scholarship, service and leadership.

North Side was accepted for enrollment among schools of eight hundred or more, and the constitution drawn up, covering the activities of the chapter, was accepted by the National Honor Society of Secondary Schools. In the constitution there are ten articles which deal with the name and purpose, membership, council, executive committee, faculty supervisor, meetings, emblems, dues, and amendments.

Keys, which are the emblems for the National Honor Society, were given as awards for those who became members. The faculty who selected these fifteen members was com-

posed of Mr. Northrop, chairman; Mr. Charles Dickinson; Miss Venette Sites; Miss Victoria Gross; and Mr. Rollo Chambers.

North Side senior class is entitled to fifteen percent of the graduates as members of this society. At the first time only nine were selected, but in the beginning of June five more were chosen. No more juniors were given membership at the second time.

The purpose of the chapter is to create an enthusiasm for scholarship, a desire for rendering service, to promote leadership, and to encourage character development in the pupils of North Side. Meetings were scheduled to meet during the third week in the months of September, December, February, and May of each year. The first of these is set aside for the election of officers. Other special meetings may be held, but must be sponsored by the principal or some other faculty member selected by him.

Meetings of this group were not able to be held for the chapter was just organized this semester, but they will be held beginning next September.

Back Row—Hagerman, Woodard, Walter, Van Skoik, Warner, Hursch.
Second Row—Lewis, Hadsell, Lapp, G. Fredericks, Beecher, Fosler.
First Row—Shookman, Gallmeier, Michaels, Ringle, Pfeiffer, Hart.

Red Cross

NORTH SIDE opened a new field of work this year when it organized the Red Cross, an organization that did its bit in making many people happy, beside other duties characteristic of the club.

A student board, consisting of one delegate from each home room, together with the able assistance of Miss Florence Reynard, faculty advisor, has conducted penny drives in the school for the purpose of raising money for needy families. Nina Lewis, chairman of the North Side Council of the Junior Red Cross and president of the County Council of the Junior Red Cross, has very capably conducted the progress of this organization at North Side.

Their work has covered many fields, for at Christmas time thirty-two boxes and two baskets were distributed to the poor, while later in the year a collection of books was made for soldiers stationed at Haiti, text books were obtained for schools in Kentucky, and four pillows were sent to the same state. During the Florida flood the Red Cross launched appro-

priations for the sufferers. This worthwhile organization has, every day for nine weeks, furnished lunch for one person, and has kept a family of four with milk and groceries. Money has at times been lent to needy families for necessities, and when the Rotunda Revel was given the North Side Red Cross gave its support by having a fish pond. It is clearly seen that this club has functioned splendidly during the past year and is deserving of a great deal of credit.

The Red Cross, whenever North Side put on an entertainment in which all organizations participated, always did more than its share. It must be remembered that the only means of raising money for that club is through penny drives, and thus it is very hard for the Red Cross to obtain money for outside functions. Still the members have all done their best and by their unceasing co-operation have been able to carry out their main purpose to its fullest extent. Most of their collections have been used in giving to the needy families, schools, soldiers, and other worthwhile places.

THE LEGEND

Back Row—Somers, Alter, Elder, C. Jacobs, Ivins, J. Bowen.
First Row—Good, Miss Cromer (coach), Kelley.

Debate Team

Paul Somers

ALTHOUGH the debate season of this year was not so successful as last year, still our teams established an enviable record by tying for third place in the N. E. I. Debating League.

In debating the question *Resolved, That the United States should adopt a hands-off policy towards Nicaragua*, the affirmative team composed of Ray Alter; Joseph Bowen, captain; Ceresse Kelley; and Glenn Elder, alternate, defeated both South Side and Huntington. The negative team made up of Carl Jacobs; Paul Somers, captain; Franklin Ivins; and Mildred Good, alternate.

North Side has been fortunate this year in having a speaker of much ability, Paul Somers. Starting his victories by winning the extemporaneous contest for the Koerber cup this fall against Ceresse Kelley and Carl Jacobs, who placed second and third respectively; Ray Alter, and Philip Bowen; Paul defeated John Span-

ley, Garnet Carpenter, and Lois Duncan in the school elimination of the National Oratorical Contest. He next won the county contest, took the district by storm, defeated all opponents in the zone contest, and won sixth place in the state final contest. For winning the county contest he received a bronze medal, a silver one for the district contest, and twenty-five dollars in cash for sixth place in the state contest.

The prospects for next year's debating teams look very good, regardless of the fact that five of the members are graduating. Those who will be valuable next season because of their experience this year are Joseph Bowen, Ray Alter, and Glenn Elder. Moreover, there are several other students who entered the public speaking department too late in the term for debating but who show promise for next year. Among these are Garnet Carpenter, Lois Duncan, Van Hagenbuch, Richard Baird, and Robert Kaade.

Throughout the debating season Richard Baird served as manager for the teams. In this capacity he arranged ticket sales, fixed the auditorium with chairs and tables, and performed such other duties as helped to make the schedules run smoothly.

THE LEGEND

Back Row—J. Bowen, P. Bowen, Somers, Elder, Spanley, Baird, C. Jacobs, Alter.
First Row—Carpenter, Kelley, Miss Cromer (coach), Good, Duncan.

Public Speakers

NORTH SIDE HIGH SCHOOL has the distinction of being the first high school in Fort Wayne to have an honor society for debaters and public speakers. Application was made for admission to the National Forensic League and a charter was granted to Chapter 218 in January, 1928.

This honor society is a national organization, and membership in it is everywhere regarded as the acme of recognition. Membership is conferred for meritorious participation in all forms of public speaking contests. A key is given to each member.

The charter members of this chapter are Paul Somers, '29, president; Miss Mary E. Cromer, coach and permanent vice-president; Carl Jacobs, '29, treasurer; Philip Bowen, '29, secretary; Durward Allen, '28; and John McMeen, '28. This year Robert Walsh, '28; Ceresse Kelley, '29; Franklin Ivins, '29; Ray Alter, '30; and Joseph Bowen, '30, were initiated.

In addition to the key advanced degrees are given for further credit. The Degree of Merit is given to all persons who have earned 10 points, the Degree of Honor for 30, the Degree of Excellence for 60, and the Degree of Distinction for 100 points.

The Degree of Merit has been given to Durward Allen, John McMeen, Ceresse Kelley, Franklin Ivins, Joseph Bowen, and Ray Alter. The Degree of Honor has been awarded to Phillip Bowen, Carl Jacobs, and Robert Walsh. Upon Paul Somers has been conferred the next to the highest honor which the National Forensic League can bestow, the Degree of Excellence.

During May the fourth extemporaneous speaking contest for the Koerber cup was conducted with the result that Van Hagenbuch will have his name engraved on the cup.

Joseph Bowen and Robert Kaade received second and third places respectively.

THE LEGEND

Back Row—Landon, Buecker, L. Slater, Miss Foster, Van Fleit, Miss Huffman, Miss Auman.
Third Row—Gallogly, Butler, Deahl, Sell, E. Slater, Gerding, Gallmeier, Whipple, Lonergan.
Second Row—Beecher, Byrd, Helling, Rummel, Stein, Hart, Perry, Forker, Kleffen.
First Row—Slack, Bannister, Shookman, Shondell, Dye, Lapp, Ballou, Johnson, H. Tonkel.

Girl Reserves

THE Girl Reserve's calendar was completely filled this year with pot-lucks, parties, banquets, besides meetings and other events. Probably the most important undertaking of the year was the sponsoring with other Y. M. C. A. organizations, the Forums that were scheduled for about twelve weeks.

During the school year, two setting-up conferences were held, one at Camp Yarnelle from September 14 to 16, and the other at the home of Miss Keegan in January. At the first of these conferences the plans for the three high schools were made, and each school co-operated in carrying out these motions. Among these plans were: the Feast of Lanterns held October 12; vaudeville, given November 2 and 3; vesper service before Christmas at the Y.W.C.A.; the annual Girl Reserve picnic; and the rummage sale.

The Polar Y members also put on a play at the Rotunda Revel called "The Doll Shoppe". The Girl Reserves have worked in other worthwhile fields, for in January, food was collected

for the Pixley Relief children, gave money for a needy family, and have made towels for the Needlework Guild.

In September officers were chosen for the first semester as follows: President, Bertha Belle Johnston; vice-president, Elaine Rummel; secretary, Vivian Shondell; treasurer, Dorothy Helling; social chairman, Catherine Shreve; service chairman, Beatrice Neher; publicity, Florence Buecker; and membership, Juanita Frederick. In the second semester those that held office are: President, Helen Ballou, who was also secretary of the Inter-Club Council; vice-president, Elizabeth Shookman; secretary, Harriet Tonkel; treasurer, Ethel Lapp; social chairman, Grace Dye; and publicity, Helen Schack.

The Girl Reserves have been a well known organization at North Side, and this is due a great deal to the earnest co-operation of the three faculty advisors, Miss Mildred Huffman, Miss Hilda Auman, and Miss Loraine Foster.

Back Row—Blakely Greer, Gillespie, Doyle, Grove, Miss Zook, Miss Sinclair, Whipple, Spaulding, Acker.

Second Row—Glasser, Kenyon, A. Fairweather, Ruppert, Vigran, Short, Brower, Moorhead, Carson, M. Johnson.

First Row—Hughes, Standley, Guntle, Martin, Meyer, Fitzgerald, Mason, L. Titus, Zeller, Seibert.

Art Club

AN organization that is composed only of students interested in art work is the Art Club, which had its beginnings at North Side last year. Its members have introduced many novelty entertainments during the past year for those belonging to the club or to visitors.

Perhaps the outstanding feature in their calendar of events came on November 27 in the form of annual Art ball. This dance with Lewis Kenyon, president of the Art Club, in charge, proved very successful as well as other features put on by this group specializing in art work. Last semester the Art Club brought to North Side the Japanese exhibit of prints from Schima at New York. At the same time many prints were sold. In January the Art members put on a picture show of famous spots and places from all over the world, an entertainment which was open to everyone. At the Rotunda Revel, they also did their part by

having a side-show, where they cut silhouettes. The incoming Frosh were entertained with a party by the Art Club on February 20, at which time they acquainted the newcomers with art work.

Other officers of the Art Club are: Vice-president, Donald Kominsarow; secretary, Iris Acker; treasurer, Nedra Guntle; program chairman, Philip Dodane; social chairman, Velma Fitzgerald; chairman of finance committee, Marguerite Hughes; and publicity chairman, Milton Johnson.

The Art Club can well be proud of its members for the splendid knowledge they have attained. Louis Kenyon has won prizes in several exhibits, the last of which awarded the first prize for a textile design. Many other art students have entered their work in art exhibits and have gained a prize or honorable mention.

Back Row—Gallmeier, Fischer, V. Brown, Mr. Kimes, Bogardus, Vail, Ivins, Alter, Reiff.
Second Row—Hines, May, Ehrman, Cook, Jamieson, Fulkerson, Soughan.
First Row—C. Jacob, Thompson, C. Jacobs, Bade, Weyrick, Guenther.

Hi-Y

A NOTHER club for boys undertaken at North Side, is the Hi-Y, which was organized here last year, and headed both years by Mr. Merton Kimes, to whom is most surely due a great deal of credit because of his unceasing labors for the betterment and promotion of the club. By October the Hi-Y was completely organized, and at the first meeting Franklin Ivins was elected president; Louis Jamieson, vice-president; Carl Jacobs, secretary; and Paul Fulkerson, treasurer.

A series of discussions were planned for the year among which one of the most interesting was that given by Mr. Dickens of Argentina, who spoke on the Argentine athletic circles. Other speakers were: Frank A. Silver, who gave an educational talk on the care of the feet; Ed Thomas, prosecuting attorney, who spoke on "Problems Facing the Young Man."

Besides these meetings a series of Bible studies were conducted separately. The Hi-Y, together with the Girl Reserves and other organizations, sponsored Forums presented both at the Y. M. C. A. and the Y. W. C. A., for

the purpose of combining the discussions of interesting life problems with social good times.

The Hi-Y motto, "Service in Every Respect," was certainly carried out in all of their activities, and has made a huge success at North Side. Their loyal service was shown here when they put on a side-show for the Rotunda Revel. At one meeting they received a trophy for the best stunt.

The officers elected for the second semester are: Milas Reiff, president; Ralph Guenther, vice-president; Courtney Vail, secretary; and Charles Weyrick, treasurer.

The Hi-Y had a host of social functions, including a very fine Christmas program, a father-son celebration, and a banquet for mothers and sons. Besides these, two or three nights were set aside for stunt nights. For six or eight weeks Bible studies were given, having for their subject the life of Christ from the standpoint of his services to humanity. Each week several students were given assignments taken from the four gospels, and then these were commented upon at the meetings.

THE LEGEND

Back Row—Mr. Risk, Green, Brosius, Anderson, Brown, A. Richard, Novitsky.
First Row—Andrews, McPherson, B. Thompson, Langhorst, Dresen, J. Briggs, S. Stevens, Moorhead.

Torch Club

WITH Mr. Clifford Risk as faculty advisor, the North Side Torch Club, under the auspices of the Y. M. C. A. has well served its purpose, that of rendering service to others, developing leadership, and training moral character.

Meetings, held regularly, follow the same plan except when initiations take their place, and these are given twice a year. After a six o'clock dinner, talks are given by prominent citizens of the city, among whom were: Mr. Nelson of the News-Sentinel; Mr. Dodge; Mr. Clifton Sprunger, who talked on choosing Y. M. C. A. work as a life occupation; and Rabbi Markowitz.

Sometimes general discussions were led by Mr. Hengst, head of the boys' department at the Y. M. C. A., who was assisted by the faculty advisors of the three schools. These discussions touched upon the value of an education, the evils of smoking, drinking, swearing, and other things affecting character.

After some meetings there are usually contests, such as swimming meets, pool tournament, and ping-pong, while other times the

meetings are of a more entertaining nature, such as, a jamboree or a bachelor of ugliness contest. During the Christmas vacation basketball tournaments were staged between the different Y. M. C. A. organizations.

A very worthwhile talk was presented by Mr. Nelson of the News-Sentinel in regard to newspaper work as a life occupation. In his speech he related his experiences as an interviewer in the early days of his career, and later about assignments dealing with many notables who visited the city, such as movie actors, congressmen, and the like. He dealt with both the desirable and undesirable phases of newspaper work, and the selection of such as a life work. His experiences during the Mississippi flood were intensely interesting. Another talk was given under the auspices of the State Board of Health, dealing, of course, with health. Moving pictures were shown with the instruction, thus making the talk more complete.

Mr. Risk together with the president, Harold Novitsky, leads the North Side group. Other officers are vice-president, Calvin Brown, and secretary-treasurer, Monroe Brosius.

THE LEGEND

Back Row—Ehrman, Drathis, Ivins, Robinson, Korn, Greer, Erwin, Nobles, Landon.

Third Row—Elder, Latker, Kimball, Popp, Anstett, Buhr, Fosler, Reichle, Suter, Reiber.

Second Row—Kaade, Weinstein, L. Shreve, Salzer, Scott, Carpenter, Ballou, Eilers, Jacobs, Bouillet.

First Row—Stubber, Novitsky, Schrock, Korn, Thinnies, Richard, Frederick, Turner, Brudi, Bowman.

Student Players

FOR those who are interested in dramatics, the Student Players' Club was brought to North Side in 1927 from Central, still under the capable supervision of Miss Marjorie Suter. This club has a very high standing at North Side since its requirements for becoming a member are stricter than the usual organization. In order to be eligible for membership, one must be a sophomore or upper-classman, must be passing in all of his subjects, and must, of course, have some dramatic ability.

During the last year, Miss Suter has put on some splendid productions, either separate entertainments, or jointly with other organizations for a popular purpose. The Rotunda Revel had the co-operation of the Student Players by the two comic plays, "A Railroad Station" and "A Falvy Special."

Meetings held on alternate Thursdays are purely for business, and in preparation for social events. Perhaps the two most popular

events of the dramatics club year are the two initiations held at Christmas time and on the last day of school. Last December North Side and Central united in initiating South Side into the organization, at a pot-luck given at the Central gym. The final initiation is in the form of a picnic, and this year it was held at Tom Snook's cottage at Lake Wawasee.

Lyle Turner, elected president for the first semester, and Norman Richard for the second half, have very capably held their positions as head of the Student Players' Club. Others chosen for offices for the first semester were: Vice-president, Joe Bowen; secretary, Margaret Brudi; treasurer, Dorothy Bowman. Those holding other offices during the second half are: Vice-president, Jerome Thinnies; secretary, Virginia Fredericks; and treasurer, Mary Jane Scott.

Miss Suter has appointed Ralph Ehrman as stage manager. Ralph is responsible for making a great deal of the scenery for our stage.

THE LEGEND

Back Row—Schenkel, Hagerman, Ehrman, Miss Suter, Reiff, Hines, Vail.
Second Row—Korn, Suter, Kowalczyk, Reiber, McVey, Harris, Snowberger.
First Row—Marshall, Salzer, L. Shreve, Reichle, Titus, Richard, Fischer.

Senior Play

THE dramatics calendar was composed of five plays this year, all of which were under the direction of Miss Marjorie Suter, dramatics' instructor for the three Fort Wayne high schools.

The first two plays, "Thursday Evening" and "Joint Owners in Spain", were presented in an assembly program, November 6. The characters were portrayed by Robert Kaade and Mary Margaret Vesey as the newly-weds; Charlotte Latker and Jeanette Popp as the mothers-in-law.

The parts in "Joint Owners in Spain" were played by Wilma Kimball as the director, Garnet Carpenter as a very outspoken inmate, Jane Korn as a very feeble and pessimistic person, and Marjorie Shrock as a very delicate old lady.

"The Bishop's Candlesticks" and "Beau of Bath" were presented as the Christmas plays by the North Side dramatists. The part of Jean Val Jean, an escaped convict, was very dramatically acted by Harold Korn. The role of the Bishop was portrayed by John Robinson, and that of his sister, Percine, was played by Virginia Fredericks. Marian Weinstein took

the part of the Bishop's maid, and Norman Richard and Dick Baird were the sergeants.

"Beau of Bath" was a Christmas story in which Beau Nash, portrayed by Lyle Turner, dreamed that the girl whom he had once loved and whose portrait was hanging on the wall came back to life. Rosamond, the girl in the picture, was taken by Lucille Reichle. The old servant of Beau was played by Jean Bouillet.

The last in the series of productions was the annual Senior play, "Show Shop."

Those who made up the cast and their respective parts were: Sadie, Maxine Salzer; Wilbur Thompkins, Steve Marshall; Jerome Belden, Norman Richard; Max Rosenbaum, Carl Fischer; Effie Brinkley, Margaret Titus; Johnny Brinkley, Vincent Snowberger; Mrs. Dean, Louise Shreve; Bettina Dean, Lucille Reichle; night clerk, Bob McVey; Granby Smith, Harold Korn; scene painter, Ralph Ehrman; Maginnis, Courtney Vail; Goldman, George Kowalczyk; Hickson, Norbert Schenkel; Steve, Robert Hines; Miss Donahue, Marie Reiber; Miss Farrington, Kathryn Suter; Miss Tohy, Helen Harris; and Walters, Milas Reiff.

THE LEGEND

Back Row—Schack, Miss DeVilbiss, Kestner, Meyer, Miss Pate, Miss Beierlein.
Second Row—Brandt, Heilman, Erb, H. Tonkel, Philips, Sherwood.
First Row—Pretzler, Wise, Close, Hart, Langard, Reynolds.

Home Ec

ALL those who are interested in Home Economics have the opportunity to join the Home Economics Club, organized for the purpose of furthering that subject's interest among the girls. Their meeting for the first semester dealt along the line of customs and homes in foreign lands, while the programs in the second semester were mostly spent in making preparations for foods and candies in order to raise funds to cover expenses of the club, and at two of the meetings outside speakers were present. Among these were Miss Keep, supervisor of Home Economics, and Miss Grubb of Koerber's, who demonstrated costume jewelry and silver service. All the meetings, held in a friendly and informal manner are held in the apartment every other Monday.

A style show was given by the new members of the second semester, in which the girls displayed clothes made in the classes. Those who are eligible for membership to the club, must have taken home economics for at least one semester.

The Home Economics Club have taken

a part in the Rotunda Revel by having a sandwich stand, and some of the members have helped in serving at a dinner for the deans and also at the P.-T.-A. tea. The annual picnic was heartily enjoyed, and was held on the third of June.

At an election of officers held last semester, Mae Hart was chosen president, but after she left school the vice-president, Ruth Close, took over the presidency. Other officers are Charlotte Spice, secretary, and Anabelle Hart, treasurer. Faculty advisors for the Home Economics Club are the three teachers of that subject, Miss Beierlein, Miss DeVilbiss, and Miss Pate.

At the last meeting of the Home Ec Club it was voted upon to join the National Home Economics Association next fall. This membership will entitle them to send delegates to both the state and national meetings. When they join, the members will be able to wear the pins of the National Association. It was also decided at this final meeting to purchase materials to be used as outside work for the sewing classes next year.

THE LEGEND

Back Row—Frederick, Carpenter, Johnston, Buhr, Fosler, A. Richard, N. Richard, Wilding, Snowberger, Forker, Guenther, Woods.

Third Row—Hadsell, Kline, Miller, Merillat, Briggs, Turner, Greer, Kienzle, Stillpass, Reiber, Nobles.

Second Row—Ben Dure, Grummons, Eilers, Woodard, Erwin, Grimme, Cromwell, Zwick, Miss Auman, Salzer, L. Shreve, McComb.

First Row—Ballou, Gauert, Coby, Latker, Brendel, Emrick, Novitsky, Kramer, Weinstein, C. Shreve, Field, May.

Booster Club

THE Booster Club, organized at North Side in 1927, has this year certainly represented everything that its name implies. With Miss Julia Storr as faculty advisor for the first year, and Miss Hilda Auman during the second, this club has been able to carry out to its fullest extent, the purpose of the organization, that of boosting the teams, faculty, school, and, in short, everything around North Side.

A point system was adopted and everyone, except Freshmen, wishing to become a member has to have twenty-five points, which are earned by selling at games, advertising, serving on a pep session committee, or by doing a host of other things.

Among the several social functions sponsored by the Booster Club was the Lettermen's Dance, held on the twenty-third of March, and given in honor of those athletes who had won

their letters. Boosters furnished acts in the vaudeville, sold nuts, candy, and ice cream at the Rotunda Revel, and helped with other events in which all organizations of the school participated. The rooter's section, planned by the Boosters has proven very successful, and has added plenty of pep at the games.

Toward the end of the year the Booster Club work, although it was not noticeable to outsiders, was just as important as that accomplished in the first part. Little coats of red and white, which were worn by the rooters to form the letter N, were furnished by the Boosters.

The Booster officers for last semester were: President, Maxine Salzer; vice-president, Catherine Miller; and secretary-treasurer, George Beamer. This semester those who have taken the same offices are: Catherine Zwick, Kathryn Suter, and Jane Emrick.

THE LEGEND

Back Row—Rice, Shiffer, Adams, Mr. Mathews, Kimball, Ben Dure, Fetter, Crites.
Fourth Row—Whiteley, West, Gresley, Johnston, Umbach, D. Evans, Eby, Hennig.
Third Row—Hire, Kent, Stolte, Thinnies, P. Evans, Guillaume.
Second Row—Cox, Beaman, Champe, Elder, Gruber, Kessler, Hockenberry, Bellinger, Spittler.
First Row—Habig, Hipkins.

The Band

*"Keeping time, time, time,
In a sort of Runie rhyme."*

NORTH SIDE HIGH SCHOOL has responded to the spirit of Pan, who has been going about in this old world—carefree and light-hearted—piping, ever piping.

Under the direction of Mr. Mathews, the band has increased in membership from twenty-six in 1928 to thirty-four at the end of this semester. It was on hand at all of the home basketball and football games and the music rendered was always peppy, especially when it struck up with our school song. At the pep sessions the band was a very welcome guest, and if it did not play, there seemed to be something lacking.

The personnel of the band is as follows:

Solo Cornet—Melvin Guillaume, Alvey Hennig, and Paul Evans.

First Cornet—Morris Kent, Herbert Thinnies.

Second Cornet—Richard Umbach, Eleanor Baker, Eugene Stolt, Robert Hire.

Alto Horn—Paul Gressley, Edward Johnston.
Trombone—Max Kessler, Gene Johnston, Clarence Hockenberry, Wayne Bellinger.

Baritone—Edward Spittler, George Beaman.

Tuba—Morris Champe, Lucien Gruber.

First Clarinet—Maynard Shiffer, Gordon Adams, Harold Cox, Nelson Crites.

Second and Third Clarinet—Wilma Kimball, Mary Ben Dure, Bland Rice, John Fetter, Frank Whiteley.

Saxophone—Edward Hipkins, Dortha Evans, Leonard Eby.

Snare Drum—Howard Habig, Byron Sweeney, William Thompson.

Bass Drum—Glenn Elder.

As the heart of a traveler in foreign country swells with joy when he hears the song of his mother country, so does the heart of every North Sider when he hears the band play "Oh, Dear Old North Side."

The officers of the band are: President, Edward Hipkins; vice-president, Max Kessler; secretary-treasurer, Maynard Shiffer.

Snowberger, Feichter, Helling, Rummel, Heilman, Baker, Crites, Baber, Soughan, Shiffer, Jane Johnston, Adams, Bouillet, Kimball, Elder, Ben Dure, Bogardus, Evans, Hofer, Wise, Gresley, Edward Johnston, Egolf, Champe, Gene Johnston, Kessler, DeWitt.
Mr. Mathews standing.

The Orchestra

THE orchestra under the supervision of Mr. Paul Mathews has been one of the most valuable assets of the school this year. In the school assembly programs at different times it played and the music was always enjoyed. They presented programs for various clubs of the city, schools, and conventions which were held in the city. Among these were the programs given before the Fort Wayne Women's Club, the Methodist convention, and the senior play at Lafayette Central.

On April 27 it entered the Central district orchestra and band contest held at Kokomo and took second place, whereby it was entitled to enter the state orchestra and band contest held at Bloomington.

The pieces which they played at this time were some of the most difficult ever attempted.

The orchestra played at both last year's senior play, and this year's play, "Number Seventeen," and the "Show Shop," respectively. The music rendered for the operetta, "Trial by Jury," last year, was very enjoyable.

The orchestra does not attempt to call itself

a symphony, or to approach symphonic perfection, but the students in it gain valuable experience and the orchestra is in demand.

The music department has several instruments which are loaned to students to learn upon and to play in the orchestra.

There is at the present time an instrumentation of thirty-four pieces, including six first violins, six second violins, three violas, one flute, six clarinets, three trumpets, two alto horns, two trombones, one tuba, and piano.

The personnel of the orchestra is as follows: Marcelene Beber, Raymond Soughan, Anna Baker, Ethel Myers, Vinson Snowberger, LaVerne Feichter, Mary Hofer, Ruth Wise, Geneva Egolf, Wayne Bellinger, Ruth DeWitt, Herman Elett, Wilfred Wahl, Glenn Elder, Jean Bouillet, Jane Johnston, Maynard Shiffer, Nelson Crites, Gordon Adams, Wilma Kimball, Mary Ben Dure, Carl Jacobs, Ralph Bogardus, Melvin Guillaume, Paul Evans, Paul Gressle, Edward Johnston, Max Kessler, Gene Johnston, Morris Champe, Dorothy Helling, Elaine Rummel, and Esther Heilman.

THE LEGEND

Margaret Seibert

Back Row—Ringle, Heyman, Elsworth, Van Skoik, Butler, Kannel, DeSpain, Gray, Deahl, Ruppert, Doswell, Slater.

Third Row—Erb, Hathaway, Lepper, Landon, Eilers, Rose, Woolever, Morton, Price, Horn, Phillips, Byrd.

Second Row—Albersmeyer, Kienzle, Habecker, Rodgers, Buhr, Woods, Kestner, Anstett, Fredericks, Schack, Zwick.

First Row—Heilman, Brunka, Beecher, Seibert, Fitzgerald, Carpenter, Kronk, Winters, Dell Woodcox, Johnston, Walter.

Paul W. Harrison

The Girls' Glee Club

*"The soul of music slumbers in the shell
Till scorched and kindled by the master's
spell"*

ONE of the extra-curricular activities which is very beneficial and enjoyable is the Girls' Glee Club. It has furnished special musical numbers for the Parent-Teachers' Association, assembly programs, and club meetings. All girls are eligible for membership and are always welcome.

There is now a membership of sixty in the club.

During the fall semester of the glee club, a girls' double sextet was organized and sang at several meetings, one of which was at a joint Parent-Teachers' Association meeting held at Central. The members of the double sextette were Ceresé Kelley, Ruth Wise, June Rodgers, Betty Rose, Elsie Wetzel, Dorothy Meyer, Mary Meyer, Mildred Good, Thelma Johnson, Florence DeSpain, Virginia Byrd, and Ruby

Van Skoik.

Glee club rehearsals are held three times a week during the school time. On one of the days there is a joint rehearsal with the members of the Boys' Glee Club, and on this day there is, of course, more amusement.

The Girls' Glee Club presented a concert before the Woman's Club. Among the numbers they presented were "Rolling Down to Reo," "Gypsy Love Song."

The music department has many numbers which the glee club sings on the orthophonic and very often the glee club hour is spent in listening to these numbers. Among these records are "Bells of St. Mary's," and "Barcarolle."

In the operetta "Trial by Jury," which was given last year, the girls of the glee club who were members of the major cast were Alice Lee Ward and Jeanette Pitts. The other members of the club made up the girls' chorus.

Back Row—Hobson, McComb, Bouillet, Somers, Gallmeier, Kenyon, Mr. Mathews.
Second Row—West, N. Richard, Habecker, Hines, Hire, Bolman, Spanley.
First Row—Berghoff, Anderson, Thompson, Moorhead, Gard, McNett, Snowberger.

Boys' Glee Club

WHENEVER those in the Boys' Glee Club made their appearance, they showed that it is one of the peppiest and most enjoyable organizations in school. They sang many delightful songs at the assembly programs, among which were the Winter Song, Southern Memories, Street Urchins' Medley, and last, but not least, the school track song.

On one day during the week the boys' and girls' clubs meet together and form a mixed chorus.

The mixed chorus sang several numbers at the Parent-Teacher social. Some of the songs they sang were "Song of the Viking" and the school song.

The members of the boys' glee club who took the leading roles in the operetta, "Trial by Jury," last year, were Donald Elder, Harold Walker, John Spanley, Denton Habecker, Edward Hipkins, Harold Korn, and Bill Schellenbach.

The training obtained in the glee clubs is very beneficial and the boys always have a jolly good time.

Mr. Mathews, the head of the music depart-

ment, came to us from Central at the opening of North Side. His home is in Lexington, Ky. He graduated from the Lexington high school in 1921, attended the University of Kentucky, and was graduated from there in 1925. He attended University of Wisconsin for a year, and while there was in charge of the University of Wisconsin high school glee club.

He was a member of both band and glee clubs while at the University of Kentucky and University of Wisconsin. He plays a flute and at the present time is a member of the Civic Symphony Orchestra.

The University of Wisconsin glee club held the championship of the middle-west for three years, and for one year Mr. Mathews was a member. During this time the members of the glee club gave a concert for ex-President Coolidge and Mrs. Coolidge, and he was presented to them.

He is a member of the Phi Mu Alpha Sinfonia National Honorary Musical Fraternity.

Mr. Mathews has been working very hard for the music department this year and expects to have enough members in the glee club next year in order to present another operetta.

THE LEGEND

The Legend

At Left—Ralph Ehrman, Honor Society member, had the honor of being the first editor of The Legend, yearbook of North Side High School. He took readily to his work.

At Right—Philip Bowen, among his many and varied activities and honors, found time to be business manager of The Legend as well as valedictorian. He also assisted with the editorial work.

DURING the school year of 1927-28 no yearbook was published, so in the fall of 1928 the seniors decided to provide for a yearbook. After investigation it was found that if 650 subscriptions could be received, we could have an annual. The goal was reached and preparations were begun.

The following staff was appointed: Ralph Ehrman, editor; Philip Bowen, circulation manager; Carl Fischer, senior editor; Lucille Reichle, alumna editor; Vinson Snowberger, junior editor; Walter Brueckner, sophomore editor; John Wilding, freshman editor; Robert Hines, boys' sports editor; Raymond Soughan, assistant; Esther Nobles, girls' sports editor;

Mildred Eilers, organizations editor; Florence DeSpain, music and dramatics editor; Elsie Wetzel, publications editor; Jane Woodard, humor editor; Dorothy Meyer and Pearl Standley, art editors; Marcelene Beber, typing editor; Helen Markey, assistant; Mary Grimme, snapshot editor; Franklin Ivins, feature editor.

Each class and club has paid for its own section in the annual, thus helping finance the book. In addition to class and club pictures, there are accounts and pictures of interesting events that occurred during the school year.

Now that the senior class has established the precedent of having an annual, it is probable that future classes will continue the custom.

Back Row—Hines, Wilding, Ivins, Snowberger, Brueckner, Fischer.

Second Row—Soughan, Miss Harvey, Nobles, Reichle, Meyer, Markey, Beber.

First Row—Ehrman, Standley, Eilers, Wetzel, DeSpain, Kowalczyk.

THE LEGEND

The Northerner

At Left—Elsie Wetzel, salutatorian, was selected from a volunteer staff last fall to head the school paper. She directed one of the All-American issues.

At Right—Mildred Eilers' work was so outstanding that she was easily the choice as publisher the second semester. Her papers also ranked All-American.

THIS year the Northerner staff pledged itself to two things: first, to get the paper out on time every Friday and, secondly, to issue a good paper. Both promises were kept. Every homeroom received its papers on Friday morning. The Northerner came in for its share of awards.

In the Columbia Scholastic Press Association it took a second place rating and received a gold medal with red ribbon. Two months later in the National Scholastic Press Association it received an All-American award for be-

ing a "Superior Paper." Later this same association further honored it by giving it a Pacemaker award for being one of the two best high schools papers in its division in the United States and entered the Northerner in the final contest for the silver cup.

Elsie Wetzel and Mildred Eilers were publishers of the paper; Ralph Ehrman and Virginia Buhr were managing editors; Ednell Miller was editor all year; Jane Korn was copy editor and news editor, and Mary Grimme was copy editor in the spring.

Back Row—Wetzel, Zehner, Leasure, Guntle, M. Miller.

Third Row—Miss Harvey, E. Miller, Markey, Beber, Fosler, Heilman.

Second Row—Jaehn, Nobles, DeSpain, Buhr, Grimme, Korn, McComb, etc.

First Row—Moyer, Erwin, Eilers, Ehrman, Cromwell, Emrick, Baird.

The Ripples

LAST year a Quill Club was organized by a group of energetic students who intended to do some creative work in literature. But it was found soon after, that most of the members were too energetic. Their time was already devoted to other activities. Consequently, very few pieces were submitted.

Nevertheless, undaunted by the fact that this club had accomplished very little, this year some English students determined to publish a magazine. Several factors entered into their decision and have made it possible for them to succeed. In an enterprise of this kind, time is an absolute necessity.

The members of this year's Quill Club were not engaged in so many activities that they could not devote this time to the magazine. In the second place facilities for printing such a magazine were now available to which last year's organization had no access. The School Press at South Side High School did all the printing at a much smaller cost than any commercial shop could have done.

With the ambitious students, the time, the opportunity, the work progressed under the guidance of Miss Cromer and Mr. Dickinson

of the English department. Because most of the material that was already written had been used during Literature month, all that was to go in the magazine had to be written.

The members of the Quill Club were not the only ones who contributed. Indeed, many of the best selections were written by students who had no idea that it would be thus published. Those who contributed, other than the members, are Mary Heyman, Nina Lewis, Alvah Squires, Glenn Brendel, Joe Miskell, Jane Emrick, Vinson Snowberger, Donald Youse, Steve Marshall, Helen Marshall, Maurice Cook, and Ralph Ehrman.

After a census of the English classes had been taken, five hundred twenty copies of "Ripples" were printed. The magazine met with instant approval. All copies were sold in a very short time, and a great many more could easily have been sold.

The experiment of publishing a magazine has been so successful and has met with such approval, both by students and teachers not only of North Side, but also of our sister schools, that it has been decided to publish one each semester next year.

Back Row—Kenyon, Mr. Dickenson, Miss Cromer, Hobson.

First Row—Bouillet, Wetzal, Brudi, Price, P. Bowen.

Bob McVey

Athletic Honors

ROBERT C. McVEY, senior, was awarded the Paul C. Guild trophy which is awarded annually to the outstanding athlete of the school. Bob is a four-letter man, having won two letters each in both football and basketball. He was varsity center on the football team, and his consistent playing and willing attitude did much to further the success of the Redskin gridsters.

When basketball season rolled around, Bob was ready. He held down the guard and forward positions and was a big factor in the smooth team work developed as the season progressed.

The basis on which the Paul C. Guild trophy is awarded, takes into consideration the player's attitude toward both the game and the coaches, his willingness to practice and to carry on the plans of the coach, and his general all-around good citizenship in the school.

The committee that chooses the winner is composed of M. H. Northrop, representing the school; John DeLong, athletic manager, and Coaches Mark Bills, Rollo Chambers, and Robert Sinks.

Steve Marshall, also a senior, was the winner of the trophy last year on the same basis of selection.

The National Athletic Scholarship Society of Secondary Schools is purely an honorary so-

ciety. Eligibility to membership is limited to those boys earning an athletic letter in one of the four major sports, or letters in two minor sports, and whose average in their school work for three consecutive semesters is equal to or higher than the general average of the school, and who have exemplified the highest type of citizenship and sportsmanship.

The charter members of the North Side chapter are Earl Beer, Harry Leeper, Harry Stewart, Glenn Brendel, Harold Hohman, and Robert Hines.

Back Row—Hines, Stewart, Brendel, Hohman.
First Row—Leeper, Beer.

Faculty Athletic Staff

NORTH SIDE owes much to the men in the picture below. Mark Bills, director of athletics, is head coach of football and also of basketball. Rollo Chambers coaches the track team and also helps to teach football to the Redskin candidates. Robert Sinks, who came to North Side this year, became assistant basketball coach. North Side appreciates the untiring effort and unfailing patience which he displayed, during his first year with us, in order to relieve Mr. Bills of some of the worries of coaching both the reserve and varsity teams. Mr. DeLong, the athletic manager, takes care of arranging all the schedules and trips. He is in charge of all home games. Mr. Ivy has charge of the boys' swimming classes and is coach of the swimming team.

Mr. Eyster is the school treasurer and takes care of all the money. He is in charge of the sale of all tickets. Mr. Northrop, the principal, lends his advice and counsel when it is needed.

With the opening of North Side a competent leader for athletics was needed and Mark Bills was chosen to take over the coaching duties at the new school. A graduate of DePauw, and an athletic star while there, he was well qualified to take up coaching as a profession. He first coached at Noblesville, Ind. His success there attracted the attention of Fort Wayne authorities.

Mr. Chambers was a physics instructor at

Central but with the opening of the new school he came to North Side. Mr. Chambers was an all-around athlete in his college days and is quite competent to coach track.

Mr. Sinks starred at basketball while at college and was an all-state forward.

The school could not quite get along without a swimming instructor for its pool, so a competent man was secured. Mr. Ivy has done fine work for both the swimming teams and life saving classes.

Mark Bills
Athletic Director

Back Row—Mr. Chambers, Mr. Ivy, Mr. Bills, Mr. Sinks.

First Row—Mr. Eyster, Mr. Northrop, Mr. DeLong.

THE LEGEND

Football

NORTH SIDE enjoyed a successful football season. Out of nine games played the Redskins won four, lost four, and tied one. Not a little credit should be given to Mark Bills, who, assisted by Rollo Chambers, worked untiringly to produce a team worthy of representing the Red and White.

The first scalp ever taken in football by the Redskins was that of Reading, Mich., who opened the season here. Reading had managed to nose out the Redskins the first year the school opened, but "Dad" Northrop's old school was vanquished, 14 to 12.

The Tribe's next journey was to Auburn, where a hard game was expected, as Auburn had a hard fighting squad. The Redskins battled them on even terms and the result was a 6 to 6 tie.

Garrett invaded the Redskin camp, but could not keep up with our brand of football. They were finally massacred by a 31 to 6 score.

Concordia College of Fort Wayne had one of the best teams they had ever turned out, and their weight proved too much for the Redskin line which was punctured for many gains. The college triumphed, 24 to 0. This game seemed to take the spirit out of the braves and they were routed by Central, 38 to 0.

The Red emerged from the pall of gloom long enough to take Kendallville into camp, 7 to 0, but they were not playing their usual brand of ball as they were put on the short end of a 19 to 0 score by Portland.

The North Side-South Side game deserves special mention. The Redskins went into the game decidedly the underdogs, but with a grim determination to fight the green with all they had. The field was covered with a thick coating of mud and pools of water stood in many places. Neither team could use any fast running plays nor any passing attacks because of the mud. Straight football was used most of the game. The ball see-sawed back and forth in the mid field, but finally the Green scored. The Indians then settled down and held the Archers in check for the rest of the first half. In the second half the Red warriors were able to make many gains through the line, but when they were in dangerous territory the Green held. South Side was able to push the ball across the line two more times before the end of the game and the Red lost, 19 to 0.

The Redskins' last battle was fought on foreign soil, the tribe traveling to Bluffton. The team here made many long gains in the field, but seemed to lose its punch as they

THE LEGEND

Back Row—Stewart, Miskell, O. Beer, Coach Bills, Deeley, King, Brendel.
First Row—McVey, Schenkel, Christie, E. Beer, Hohman, Meeks, Hines.

Football

neared the goal line. A safety, scored near the end of the game, supplied the margin of a 2 to 0 Redskin victory. This happened when North Side blocked a kick back of Bluffton's line, Bluffton recovering.

A unique feature of the season was that every game in which North Side scored resulted in a Redskin victory, excepting the one tie with Auburn.

The outlook for next season is very satisfactory. Although several varsity men are lost through graduation, a wealth of reserve material, plus the excellent coaching staff, seems to assure North Side of ample representation on the gridiron.

Among the football graduates are Oscar Beer, Harold Hohman, and Howard Kraft, all backfield men, and Don Hatch, Robert Hines, Robert McVey, Norbert Schenkel, linesmen. The school will miss these veterans of the gridiron, but there will soon be more to fill their places and to carry on the glory of the Red and White.

Some of those that are left to uphold the name of North Side in football are Earl Beer,

Harry Leeper, Arthur King, and Jack Christie, backfield men; and Joe Miskell, Frank Meeks, Harry Stewart, Jerome Thinnies, Glenn Brendel, and Jack Deeley, linesmen.

These gridsters have shown fine work on the squad and are nearly all veterans. The few places that are left will be filled promptly by the most promising underclassmen.

A new school, building a football team out of green material, always has its difficulties, but North Side's second year seems to show that the hard work of the teams and coaches has not gone for nothing.

A call went out for candidates for football this spring, and quite a large number of boys turned out. The spring practice gives the coach an idea of what material he will have for next year. During most of the time the team drilled in track suits, as the weather made playing in uniform uncomfortable. The team only went through light signal drills and formations. When the weather was bad the team was given talks indoors by the coach on the theory of football. Spring practice aids the coach in a big way in the selection of the team.

THE LEGEND

Back Row—Hohman, Arnold, O. Beer, Braun, Kowalczyk, Bade, Ehrman, Chaffin.
First Row—DeWeese, Gaylord, Berghoff, Benner, Aiken, Dickens, Bowers.

Home Room Basketball

IT has been the custom at North Side since the school was started to have home room basketball teams. This was not done to see which room had the best team, but to show the coaches what kind of basketball material there was for next year. Games were played in both the girls' and boys' gyms with the varsity players acting as referees. More games were held as a result of using both gyms. The champions were decided by an elimination method. If a team lost two games it was out of the tournament entirely, but if it lost one game it was put in the consolation round. Thus there were two champions, the winners and the winners of the consolation tournament.

Room 330 composed of seniors won the tournament without losing any games. The personnel of the champs were Arnold, Beer, Brown, Kowalczyk, Bade, Ehrman, Hohman, manager, and Chaffin, coach.

The winner of the consolation round was Room 116. This team was composed of underclassmen, and lost only one game at the beginning of the tournament and one to the

champs as an exhibition match. The lineup of this group was DeWeese, Gaylord, Berghoff, Benner, Aiken, Dickens, and Bowers.

The home room tournaments have done much to enable the coaches to see what the school has to offer in the line of basketball prospects, and to bring out certain players who might not have considered playing varsity basketball. Besides aiding the coaches, it has given much enjoyment to the students and has helped to build up a spirit of sportsmanship that will be the boast of every North Sider for years.

There were about twenty-four teams entered out of the thirty home rooms of the school. Some of the home rooms not having enough players, were combined with the others so that most of the players would be represented, if not all of the rooms. Home room 330 was composed of only members from that room, and they proved far superior to the rest of the teams entered, as was shown by their score. Their total score was 178 points to their total opponents score of 52.

Some teams won their games by very close scores and many exciting contests were played.

THE LEGEND

Back Row—Coach Bills, Brendel, Stewart, Chaffin, McVey, Kraft.
First Row—Borgmann, Leeper, Marshall, Barley, Christie.

Basketball

THE basketball season was a success from the standpoint of material uncovered rather than from the standpoint of games won. The team, although weak at the beginning of the season, showed much improvement during the latter part. This was shown by the games with the sister schools, South Side and Central. These games, though they were lost, showed the increasing power of the team.

Five of the players, Marshall, McVey, Kraft, Chaffin and Schenkel, will be lost through graduation, but the outlook for next year is very good, as Dalton, King, Barley, Stewart, and Brendel will be back in uniform. There is also a wealth of material in the under-classes.

The Raging Redskins opened the season with Masonic Home from Franklin. The Home boys had a large following from their city, and brought their band along, which gave a concert before the game. A fast game was played, and the Home boys proved to have a smooth working combination. The Redskins were left on the short end of a 27 to 32

score.

The Red and White, anxious to atone for this defeat, went on the war-path and scalped Warren on their floor, 37 to 27. The third game of the season was with Central and both teams worked hard for this game. The Braves had good passwork, but could not connect with the hoop, while Central was able to hit the net from any angle. The Redskins were overwhelmed by a 31-to-8 score.

Wabash proved not quite so good as the Red and White, and was downed after a hard struggle, 34 to 31. South Side had a team superior to the Northern School, and ran over it 50 to 21. Portland became an easy victim to the Red, 24 to 19, and the measure of an Ohio team was taken, as Defiance fell, 23 to 12.

The team split the next two, dropping one to Laporte, 34 to 24, and taking Auburn into which the Tigers finally won, 20 to 16.

The outstanding game of the season was the second meeting of the Tiger and the Redskin. This game proved what training and determina-

THE LEGEND

Marshall

McVey

tion could do. The game was a hard struggle from the very beginning, the lead changing several times. Each team seemed to be doing its best, and the score stayed close. The Red held a lead in the final minutes, only to be nosed out by the fighting Tigers. Central won by four points, 20 to 16. The team seemed to take strength from this game, and nosed out Garrett in a fast game, 39 to 37. The team next journeyed to Lima where they dropped a game to the Southern school of that place by a score of 37 to 36.

The next intra-city game was with the Green Archers of South Side at their gym. The Redskins had been training hard for this game and a new type of play was used. When the Northern squad secured the ball they carried it into the back court and stalled, waiting for an opening to take it down the floor. This style of play bewildered South Side, and they did not know how to contend with it. When they finally did solve it the score stood 8 to 1 in favor of the Red, and the game was half over. In the second half, the Indians would have retained their advantage, but the Green seemed to have an uncanny skill to hit the basket from the middle of the floor. The long range guns finally beat the Redskins, 25 to 15.

The Sectional Tournament

North Side entered the sectional tournament determined to show the strength of the Redskins by upsetting her two sister schools. North Side's first opponent in the sectional was Harlan, and the Tribe downed the smaller school team with ease. The Redskins second game was with their old foes, the Tigers, and the braves were ready to do their best against their friendly

enemies. The Red made a brave start and held a lead against the Tigers for most of the game, but some long tosses finally put the game on ice for Central.

The scoring honors for the season were evenly divided as the team as a whole played hard on the offensive as they did on the defensive. In the first home game King stood out as the high point man, while in the first game on the road Marshall held the honor with the most points. In the intra-city game with Central, Marshall, King, and Kraft all showed up well on the offensive side of the game.

At the end of the basketball season the parents of the North Side athletes honored the members of the football and basketball teams with a banquet held in the school cafeteria. The guests of honor included Mark Bills, Robert Sinks, and Rollo Chambers, the coaches, and John DeLong, athletic manager.

A Letterman's dance was given March 23, by the Boosters Club. The dance was in honor of the football and basketball lettermen, who, later in the evening, were presented with small footballs and basketballs as favors. A peppy orchestra furnished the music and a good time was had by all.

McVey

Bob always plays a steady game and does not have his "off" and "on" moments. He first played basketball when he came to North Side.

Marshall

"Steve" successfully held down Miner in

Barley

Chaffin

THE LEGEND

the South Side game and Dornte in the Central fray. Steve played his first high school basketball at Central under the able coaching of Murray Mendenhall. He came to North Side in '28 where he has been performing quite capably.

Chaffin

Don is our lanky center and played nice ball this season. He made good use of his height at this position, and intercepted many passes. Don played his first year of basketball at North Side when the school opened. Don is a senior and will graduate in June.

Barley

Bill is one of our scrappiest Redskins, and it takes a good man to stop him on the floor. If the game is the least bit rough, you can depend upon it that Bill is right there. If you want to see a real game just come out and watch Bill put up a fight. He has another year to go yet.

Brendel

Brendel is North Side's husky back-guard. He's the boy who stops the enemy's offensive drives at the basket. Glenn is always after the ball, and makes things hot for the forwards. He is an underclassman, so North Side will have his services next year.

Leeper

The sophomores have done their bit for the basketball squad in the donation of Harry Leeper. Harry plays a nice game at guard

Kraft

Borgman

and has shown up well all season. Harry is one of the youngest members of the team, but he sure knows his game.

Kraft

Howard Kraft, another to be lost through graduation, is famous for the long arching shots of which he made many during the past season. Howard brought the crowd to its feet many times with a long shot from the middle of the floor. He is also a fine defensive player.

Borgman

Bill, shy and demure around the fairer sex, is a man on the basketball floor when it comes to fight. Bill always fights to the end and never gives up till the gun cracks. With two more years ahead of him he will make North Side plenty proud.

Christie

Jack is one of those small, fast boys when it comes to floor work. He also has a wicked eye when it comes to making baskets. Jack is a real sportsman, and always wears a smile no matter how the game is going. He will be at it again next year.

Stewart

Harry is the one who is picked to fill Chaffin's shoes. He made good in his first trial at varsity basketball and has been playing fine ball ever since. Harry is a hard worker and shows up well at center. He is an underclassman, and will be back again next year.

Brendel

Stewart

THE LEGEND

Leeper

Christie

Reserve Basketball

It is hard to estimate the value of a reserve basketball team. From this group the coach usually chooses his next year's team, upon the basis of their merits as displayed in the reserve games. Work on this squad serves as a preliminary training to varsity work. The coach is thus able to find out what players show promise of ability.

Reserve basketball games, which are played immediately preceding the main game, are often as interesting as the varsity game. Although these contests sometimes develop football characteristics, the fighting spirit displayed is a source of delight to all North Side fans.

Among the many games played during the season were those with Central and South Side. These were the hardest fought battles of the reserve season.

Later in the year our reserves entered the class "B" tournaments at Peru. This tournament was solely for reserve teams. Our squad had the satisfaction of knowing that, even if they did not win, they lost to the winners.

From the reserves of this year several players were transferred to the varsity squad before the end of the season and saw action in the sectional tournament.

A new feature was introduced into North Side this year by holding spring basketball practice. Coach Bills has deemed it wise to give the players a workout lest they forget over the long summer vacation what a basketball looks like. Another advantage of spring practice is that it enables the coach to make a final check-up on all players. He can weed out the unlikely ones and save much time and prevent delay in the fall by calling upon the good ones when the call for basketball is given. The spring workout is very short—only a week or two. It is not for extensive training, but serves only to find out who is interested and what each can do.

As was expected the reserves, varsity players who do not graduate, and several new men reported for practice.

North Side-South Side Game

THE LEGEND

Swimming

ONE of the most popular activities at North Side is swimming. The classes are limited to twenty-five each and are always filled to capacity. An important feature of the swimming program is the life saving instruction. Classes are held for boys and girls, and on completing the course, examinations are given. Several swimming meets have been held this year, among which was the second annual individual meet, held on the evening of January 19. First place for boys was won by Carl Fischer, and for girls by Catherine Shreve. Richard Niles and Carl Jacobs tied for second place for boys, while Geraldine Reiber and Ruth Reiter duplicated for the girls. Miss Schwehn and Mr. Ivy, swimming instructors, were in charge of the meet, while Mr. Northrop and Mr. Pennington acted as judges.

The second annual inter-class swimming meet was held April 26. The Freshmen gathered 53 points to win. The Seniors captured 37, the Sophomores 22, and the Juniors 5.

The North Side swimming team, composed of Charles Weyrick, Richard Niles, Carl Jacobs, John Sessler, and Clarence Hockenberry competed against Emerson of Gary February 2, at Gary. Although defeated, the Redskins showed the old fighting spirit and contested every

point.

A return meet was held in our own pool, the inexperience of the North Side team handicapping them greatly.

Although only two meets were scheduled, and the Redskins were defeated in both of them, North Side is truly grateful to Mr. Ivy for his work with the boys. There is no doubt but that swimming will become a permanent sport here at North Side.

Track

THE 1929 track season found North Side ready to enter inter-scholastic competition. The team of last year, being new material, naturally did not produce any great results. This year, however, the squad worked hard and turned out some very credible performance, much of which was due to the excellent coaching by Mr. Chambers. The majority of the squad being underclassmen, the experience gained this year has helped them considerably, and North Side will certainly be heard from next season.

North Side's 1929 track season opened April 6, when the Redskins met South Side in a dual meet, which the Archers copped, 57 1/2 to 47 1/2.

Decatur fell victim to the flying feet of the Redskins, April 16, North Side winning, 73 to 26. This was the first inter-scholastic track meet to be held on our athletic field.

A meet was scheduled with Larwill for April 20, but for some unknown cause they did not appear.

The North Side inter-class meet was held April 21. The sophomores and juniors tied for first place, each capturing 42 points. The seniors followed with 25, and the freshmen trailed along with 9.

The intra-city meet, between North Side, South Side, and Central, took place April 27. North Side took third place with 18 points.

One week later, in the N. E. I. conference meet, held at Garrett, North Side scored six points, garnering a first and a third, when Vauris took first in the high jump and Sessler placed in the low hurdles.

Only a few of the cinder pounders will graduate, leaving a team for next year composed of men who will be well experienced in both track and field events. The men who will leave the team are Arnold, Baker, and Chaffin. It will be remembered that Baker has done fine work in the long runs, while Chaffin has excelled in the broad jump, high jump, and shot-put. The school will long remember these stars as the contributions of the class of '29.

Back Row—Chambers, Pennington, Cleaver, Northrop, Mertes, Bills, Ivy, Sinks.
Front Row—King, Kowalszyk, Baird, Hagerman, Gillie, Deeley, Geyer.

Minor Sports

"GOLF came to North Side last year and was taken up by both the students and faculty. One of the exercise rooms off the gym was used for practice as well as the stadium.

The faculty team is composed of Bills, Chambers, Pennington, Mertes, Ivy, Cleaver, and Sinks. The faculty team was organized when the school first opened, and was not defeated the first year. It has been playing regularly matches both in and out of town.

This year the faculty trounced Bluffton, 6 to 2, at Fort Wayne, but lost to them on the return game at the Bluffton Country Club, by a score of 7 to 6.

The team also massacred the Central faculty team by an 18 to 1 score. The game lost to Bluffton was the first one lost in two years.

The boys' golf team is composed of Gillie, Barley, Leeper, Baird, Kowalczyk, Hagerman, and King. The boys lost one game to the Bluffton boys by a score of 9 to 6.

RIFLE TEAM

North Side also organized a rifle team the first year. Quite a few of our boys proved to be crack marksmen. They won the Dickens trophy from the Central rifle team.

BOWLING

Another minor sport of interest taken up this year was bowling. There were two teams chosen. The North Side Bowling Club met at Scott's Recreation hall on Tuesday afternoons, where they bowled against the other Fort Wayne high schools. The teams represented in this tournament were Central, North Side, South Side, and Central Catholic. North Side and South Side held the lead in the tournament with tie scores. Benny Stiegler and Everett Scott, Jr., were high scorers for North Side.

The minor sports at the high school provide a healthful recreation for the students. Those students who do not care to enter into any of the major sports or who do not excell at any of them may have a chance to serve the school in some lesser sport.

The golf team had many pleasant trips and matched themselves with teams from out of town schools. The handling and use of a rifle teaches a boy accuracy and efficiency on the range as well as in other sports. No exercise is any better for the use of all the muscles in the body than bowling. The boys have turned out a fine team and have had much enjoyment from the sport.

Miss Schweln
Girls' Athletic Director

G. A. A.

ONE of the peppiest and busiest of organizations of North Side this year and last year is the Girls' Athletic Association. It has proceeded to make itself noticeable in several different ways, and has gained much prestige in the school.

It first gave one of the largest dances of the school year. Never inactive, it attracted more attention by giving a bake sale during the Christmas holidays. Another dance was given, and this also was a decided success. The G. A. A. was also represented in the Senior Vod-vil. The G. A. A. banquet, which is an annual event, was not overlooked, and true to tradition, was the climax of the organization's activities.

The purpose of the G. A. A. is to further an interest in athletics among the girls and to help create a spirit of fair play and sportsmanship. A constitution was drawn up, officers were elected, and the new organization was on its way. This year's officers were: Jane Woodard, president; Esther Nobles, vice-president; Catherine Zwick, secretary; and Dorothy Tonkel, recording secretary.

Since it was thought the girls ought not to go unrewarded, a plan was made for providing

numerals and letters to those who merited them. The highest honor which can go to a girl is the winged "N." So far only six winged "N's" have been awarded.

Next in importance to the winged "N's" are the block "N's." Numerals are given as a minor award. These letters were awarded in assembly and at the annual G. A. A. banquet.

Those who have received winged "N's" are Jean Pitts and Oral DeLancey of the class of

Back Row—Zwick, Reiber, Tonkel, Nobles, Salzer, Woodard, L. Shreve, Erwin, Suter.

Second Row—Newman, Baumgartner, Young, G. Reiber, Korn, Guntle, Miss Schweln, Slack, Bent, Schellenbach, BenDure, McNelley, Cox.

First Row—Prange, Reeves, Ballou, Briggs, C. Shreve, Wade, Blackburn, Spice, Bannister.

G. A. A.

'28, and Maxine Salzer, Esther Nobles, Jane Woodard, and Kathryn Suter, of the class of '29.

Wearers of block "N's" are Marie Reiber, Louise Shreve, Margaret Erwin, Dorothy Tonkel, Catherine Shreve, and Catherine Zwick. The girls who received their winged "N's" also received their block "N's."

Girls who have received numerals are Bernice Reeves, Helen Ballou, Rebecca Briggs, Donna Wade, Mable Blackburn, Jennie Spice, Marjorie Slack, Louise Young, and Jane Korn. Girls who received letters also received numerals.

Miss Schwehn is the faculty adviser. In addition to teaching regular classes in physical education, Miss Schwehn coaches all girls' athletics, swimming, and life saving.

Because Hilda M. Schwehn is as versatile as she is capable, nearly every girl in North Side has profited in some way because of her. Besides her regular gym classes, she has found time to instruct classes in basketball, baseball, volleyball, tennis, swimming, and life saving. Thus practically all girls have come into contact with her.

Miss Schwehn graduated from Central High School, completed a two-year course in physical education at Battle Creek Physical Training School, and received her A.B. degree from Olivet two years later. She came to North Side from Central, where she also was director of physical education.

One of the outstanding girl athletes of this year was Catherine Shreve, a sophomore.

Basketball

WHEW! A surprisingly new brand of basketball was played by the girls, under the direction of Miss Schwehn, this year. Fast passing and accurate shooting marked every game, and the season ended a brilliant one.

Inter-gym-class and inter-class tournaments were held, with the seniors retaining the class championship. Because of a tie with the sophomores, an extra game was played to decide the title. This was probably the most exciting girls' game which has ever been played at North Side. The seniors won a 29-to-28 victory in the last few minutes of an overtime period, thus retaining the title won in their junior year.

The results of this year's tournament were:

	Played	Won	Lost	Pct.
Seniors	7	6	1	.857
Juniors	7	5	2	.714
Sophomores	6	2	4	.333
Freshmen	6	0	6	.000

Classes in basketball technique, directed by Miss Schwehn, were opened to the upperclass-

men. Special emphasis was laid upon refereeing. The girls rapidly mastered this art under Miss Schwehn's tutelage.

Interesting contests were also held between teams coached by senior girls. Two girls were assigned to a team and it was their duty to instruct the groups in every phase of the game. Girls also refereed the games. This tournament was held as a part of class technique.

A game which was very popular with the girls, and which required a great deal of skill, was volleyball. Under the direction of Miss Schwehn it became the most interesting of sports, and the gym was busy most of the time with volleyball enthusiasts.

Inter-class tournaments were held and were a source of great interest. The Seniors, after hard fought games, successfully obtained the inter-class championship. They were hard pressed at all times by the other teams and were never sure of their title until after the last game.

Inter-gym-class tournaments were also held, and were equally exciting.

*Back Row—Zwick, Suter, Nobles.
First Row—Salzer, Korn, L. Shreve, McNelley.*

Tennis

GAME! Set! Match! Not the least of the spring sports was tennis. Last year matches were played with Marion, Central, and South Side. This year matches were to be played with Central and South Side.

The singles matches were capably handled by Maxine Salzer, Esther Nobles, Catherine Zwick, and Alta McNelly, while Esther Nobles, Jane Korn, Louise Shreve, and Catherine Suter handled the doubles tilts well.

The girls dropped all their matches with Marion, probably due to lack of experience. However, the matches with Central and South Side were closer and a much better brand of tennis was played.

A school tournament was also scheduled, but due to the fact that the courts were not in condition, it was impossible to play it off. The girls were permitted to use the court in the girls' gym during their free periods, and in that manner kept in practice until the city courts were opened.

Tennis was supplemented by baseball as a spring sport.

Strike three. Batter out. Which only goes to prove the skill of the pitchers. A great deal of time was spent on baseball in the spring. Teams were organized and could be seen practicing on the field nearly every night.

As it is impossible to have inter-school competition, inter-class and inter-gym class tournaments were held. A stellar brand of baseball was displayed at all times and a sufficient number of Babe Ruths or Walter Johnsons could be found at any time.

Much of the time was put on learning the fundamentals of the nation's favorite pastime, and individual attentions was given to every aspirant for the various teams. While no offers were received from the major leagues, each team was able to offer a first class brand of ball, and thus put a new meaning into spring sports.

Due to the small number of upperclassmen who came out, the two teams were joined into one Junior-Senior team. The Freshmen had two teams, and the Sophomores one. The latter team was the favorite, due to their heavy hitting and the ability of the pitching staff.

Calendar of Events

September

Well, it's September and school's begun. I met Susie at Falvy's at eight o'clock and we saw Bob McVey and he was playing around with the ice, picking it up and setting it down, and I said to Susie, "Isn't he wonderful? So strong!" And then up rushes Jane Emrick just talking a lavender streak waiting for us to give her all of the "dirt". Well, we gossiped so long that we had to get one of those admits from Mrs. Clark, and she said that she guessed she would have a pretty easy time of it with Paul Pritchard to help her discipline. And then just about that time we saw the most handsome man, and I said to Susie, "Isn't he aristocratic looking?" Well, we quick ran and got Esther Cromwell, she always knows everything, and she said he's the new teacher, and so Susie starts rolling her head-lights and I take the wrinkles out of my stockings and we starts after him, thereby proving that we were doing him a kindness to have him seen with us.

October

Susie and I are awful football fans and so we went to Mr. Bills and he said that he thought that it would help the team if we were mascots. Susie and I looks at each other blank-like, but we agreed with him anyhow. Well, it turns out that what he meant was to keep Charlie Pierce from picking on little Denver Carpenter and keeping Steve Marshall supplied with a compact. The Juniors sprung the first dance, and Susie and I went, arriving there before it opened and leaving at the last. Mr. Dickinson said he was so glad we were attending the dances again and since we were so patronizing he would let us in as a couple. Susie and I thought that was pretty nice, but John Robinson laughed at us and so we told him he looks so much nicer since he's lost so much surplus that he rushes us all evening and boys like Dick Niles, Harold Korn, and Howard Kraft, who are so particular whom they dance with didn't have much chance, thereby proving it isn't so nice to have so much sex appeal.

November

Well, Susie and I are just getting down to work. I said to Susie that there was so much demand for dependable femmes like us at the entrance of school that no one in our position could be expected to spend much time with the educational part of our program. Susie and I were so thrilled, we discovered a new boy, and he's so romantic and to give you a family secret, ever since he 'sociated with us the other jealous boys have called him Neck. And still Jane Korn calls him Glenn!! And here it is almost Christmas, and Mark Bills has his present all ready. Oh, I was so excited, and I said to Susie, "Oh, if I could only smoke cigars!" But who do you think? He gave all the lady teachers and Mister Suter and us lollypops! I just know Mary Anne was glad, too. "You know," I says to Susie, "it is getting near Christmas, isn't it? And you know Dick Baird's so kind hearted——" Thereby proving that women are smart!

THE LEGEND

December

Well, I guess Susie and I are the only ones who didn't have the flu, so we went the rounds and cheered them up a little. Droop Geyer was 'specially glad to see us because we took his mind from (or was it off) his feet, the bed just wasn't long enough. And Art King, too. Here he'd been shut up all these days with nobody to talk to and he was so glad when Susie and I came to talk with him so he could tell us all about himself. And then just about that time, Harry Leeper got a terrific case on Susie, and I and Susie agreed that he was a nice boy even if he did drive a grocery truck sometimes. And he was so persistent and one day Susie looked at Vic Emrick twice, and Harry came up to Susie and me with the awfulest look on his face and harshest tone and his lovely curls all mussed up and says to Susie, "Come here, you Katzenjammer!" Well, Susie had been called a lot of harsh names by those athletes but never anything so serious as that. So Susie and I just up and decides that even if Harry did have the best legs in the whole school, she should refuse his attentions. Thereby proving that men are dumb.

January

Well, Susie and I made us a New Year's resolution to give the other girls a chance, and so for the first time this year Lucy has been able to relax like and enjoy Joe in heavenly peace and quietude with the dogs. And Scottie—he just doesn't get any pleasure out of life any more, because Susie and I were the only ones that would ride with him without screaming. And just about that time Millie Eilers was elected to edit the Northerner. Well, Susie and I congratulated her and all that, but we just laughed hard up our arms, because we knew Millie voted for herself twice. But here Susie had a hole in her sleeve and Millie heard us laugh and so she got mad and curled up her lips, wrinkled up her nose, and tossed her curls and marched off; thereby proving that girls shouldn't wear such tight dresses.

February

Well, Susie and I went down to Lehman's to get some valentines because Mike Reiff works there and we thought he could help us pick out a real sentimental greeting for Harry because he was acting very peculiar and was even threatening to smoke a cigarette! Well, when we got there we thought it was bargain day, but after pushing our way up to the front we discovered Louise Shreve and Kate Suter fighting over a valentine to give to Bob and Jim. Vi Ricket was almost in tears over how much money to spend on Dick. Susie and I decided we'd better go down to someplace quiet and do our shopping, so we went down to Murphy's and Max Salzer found us two good ones for 15c, one for Harry and the other for Norb Schenkel; thereby proving love is blind.

March

Well, Susie and I bought tickets to the tournament and so did everybody else. When we came we saw Betty Rose running around and round, and when we finally got her stopped she said she was looking for Ralph Ehrman, but Ralph didn't have his derby on so she couldn't recognize him. Well, I believe we saw everybody that

we ever knew, from Mr. and Mrs. Falvy to the New Haven team. However, Susie and I are so tenderhearted that when we saw Dick Baird and Dorothy May sitting over in a corner crying, we just sat down and wept, too, so the radio announcer man said we could speak to the people and we cheered up right quick. Well, when Susie and I finally got seated, the game began, and Susie became so excited that she

THE LEGEND

jumped down with Norm, Harold, and Art and skipped around and hit the air with them. Well, I was facially embarrassed, because there sat Mrs. Clark, and I did want her to know I belong to the student council. But the yelling finally got so bad where I was, that I had to go over and sit by Mrs. Clark to add dignity; thereby proving that all teachers should attend the games.

April

Well, Susie and I have been wondering what to give up for Lent. We finally went to Miss Reynard and she said we ought to give up dates. The next day Bill Barley, Jack Deeley, Bill Beck, and Oh! just flocks of kids came with black bands around their arms, and Pete Hagerman came up with tears just rushing down his face and said, "Life wasn't bearable without us, so we explained to him just how it was and he wept afresh, but promised to eat anyway. Well, Susie and I just decided that athletic friends were too poor for us society girls, so we started madly after Paul Somers because he won fifteen dollars talking, and Pauly is president of the senior class; thereby proving that society position makes the man.

May

Susie and I just grabbed Bob Wagner and Bob Kaade and we went out to gather spring flowers. We were slipping around so gleefully, and then we heard an awful crashing from behind and thought it was a rabbit. I looked at Susie and her hair was turning white. Well, I looked and who do you think was peeking around the corner? Ruth Reiter all dressed up and bulging at the hips. Well, Susie wanted to kill Ruth but I said "No", and quickly took her down to W & D's and had her tresses dyed red; thereby proving that red-headed women have "it".

June

Well, the Junior Prom is over and Susie and I served the punch. We were very popular, and George Kowalczyk fell for Susie. I practically had to walk home by myself, being escorted by John Wilding. Susie and I had been thinking who would be suitable to carry on our social positions, and we nominated and seconded Mary Lou Rolf and "K" Wade. Well, our caps and gowns are here and Susie and I said it just sorta gave us hangover to think of leaving school, but we agree with Mr. Northrop that we could always be fine and noble, and always love North Side; thereby proving—what?

Steve Marshall vows he will be a bachelor—if all the opposite sex die within the next two years.

Kings have their courts, celebrities have their halls of fame, colleges have their fraternities, but North Side has Falvy's.

For Sale—One Immense umbrella. Good for rainy bob-sled parties, conventions or parachute.

THE LEGEND

Don't be a wall-flower—see Dick Baird concerning dancing lessons

At least the reserve team won the eating contest cup at Peru.

Why is it that the library is so quiet when Miss McCloud is there. Evidently every one heard about Glenn Brendel's experience with her!

One just simply can not get by without mentioning something about "Joe and Lucy." So here goes—it's all right!

This is by Mrs. Clark: "You be in 116, tonight, tomorrow, and the next day." Yes, she means three nights in the dungeon.

If anyone wanted to see some food put away and put away in a hurry he should have been present at the athletic banquet. With Charlie Pierce on one side of a table and Joe Miskell on the other—well, the food simply vanished!

Imagine Mr. Dickinson being happily married to Clara Bow.

A good suggestion for an interview—What Became of Paul Somers' Famed Pipe?

"The Singing Fool"—in person at North Side—Denton Habecker.

Mr. Northrop describing Junior Scott to a visitor, "Just one of the boys that is flunking around school!"

For an unknown reason North Side is losing its fame as the "Home of the Red Ford." Did they get too hot and burn up?

Talk about that grand and glorious feeling—after getting a call from the office and arriving there you find Mr. Northrop, Mrs. Clark, and Miss Reynard. Then, very sternly, "Dad" asks you what your telephone number is! Oh, Boy!

Hasn't any one wondered why all the boys, that were there, looked like over-washed red shirts the week following the finals at Indianapolis? What a week end!

The writer hereby takes great pleasure in presenting a silver Beer-Mug to Bennie Stiegler and Pete Hagerman. To them goes the honor of having the only anti-tubercular Ford that came to and went from North Side all winter!

Another familiar expression is—"Stay out for two weeks." Of course the originator is Miss McKean.

What College? What Course?

The Indianapolis College of Pharmacy

- Has twenty-five years of honorable history.
- Has membership in the American Association of Colleges of Pharmacy.
- Has the largest enrollment of any college of pharmacy in Indiana.
- Has a three-year course for the degree of Pharmaceutical Chemist.
- Has a four-year course for the degree of Bachelor of Science.
- Has unusual advantages for student self-support.
- Has a greater demand for Pharmacists and Chemists than its graduates can supply.

We are proud to have been chosen as the official photographer of the Senior class of North Side High School to record in pictures this important period in their lives.

Equally ready will we be to put our photographic skill to their service in future years, whether the event be the donning of an especially effective frock or the acquisition of new helpmate.
